FOR IMMEDIATE RELEASE

To all Media Houses

ALLEGED “UNEASY CALM” AT ARB APEX BANK LIMITED

The Board of Directors of ARB Apex Bank Limited has noted with grave concern certain developments at the Bank, which have been published by the media and wish to state the following:

1. Some of the issues raised by “Concerned Staff” of the Bank have been dealt with and others are being handled by Bank of Ghana and investigations are currently ongoing to establish the veracity of the claims,
2. The Board recognises the enormity of these allegations being peddled in the media even before Bank of Ghana comes out with their report,
3. Until the Bank of Ghana finalises their investigations and issue their report, the Board cannot side step the process and respond to the issues raised,
4. We wish to urge the media to tread with caution in the publication of such unfounded allegations, and
5. Finally, we wish to assure the general public that there is calm at the Bank and our doors are open to our esteemed customers. There is, therefore, no “uneasy calm” at the Bank as is being peddled.

Thank you.

DR. ANTHONY AUBYNN
BOARD CHAIRMAN
